ABOUT MYSELF

As a dedicated third-year student pursuing a B.Sc. Information and Communication Technology at Mahidol University, I am eager to apply my academic knowledge and passion for quality assurance to contribute as an intern in the field of Quality Assurance Testing. Seeking an opportunity to gain practical experience and enhance my skills in ensuring the delivery of high-quality software.

EXPERIENCE

Mini project of automatic login | June 2023

Self-developed

This mini project uses a selenium model to mimic the behavior of login to the university dashboard website.

A searching system of Pokemon | Dec. 2023

Self-developed

A searching system using elastic search to arrange data, and flask as a framework.

CTF COMPETITION | Nov.2022

Team Leader

I arranged tasks for my group members and helped them solve problems to capture the flag, while I was capturing my flags.

Profile webiste | Dec. 2024

Self-developed
